Studio-appropriate attire:

- Closed-toe shoes
- No loose/dangling clothing or accessories
- Hair tied back

Basic Supplies:

- Pens & pencils
- Notebook & sketch paper
- Dust mask / N95
- You do not need to bring any tools to the class, as everything will be provided. However, I do recommend bringing a notebook and a pair of readers or optivisors because everything we are doing is SUPER small!
- You will need to purchase a kit for the class. About a month before the class I will have a link on my website for you to purchase the kit. The full kit is a basic kit + the tools you will be using. I ask that you purchase your kit before class on my website, here so that I bring enough kits for everyone. Remember that it will become available on the website about one month before the class.
