Studio-appropriate attire:

- Closed-toe shoes
- No loose/dangling clothing or accessories
- Hair tied back

Basic Supplies:

- Pens & pencils
- Notebook & sketch paper
- Dust mask / N95

Class Supplies:

- We'll be working in copper and silver.
- For the bracelet we'll be using copper pipe which I have already acquired, so no need to provide your own.
- We'll use copper wire for the chain, you can use what's available or get your own to use if you want a particular size/pattern of wire.
- For the ring, I have several different styles of ring-making wire to choose from or you can buy some from Dallas's supply store. I'll also show students where they can order their own. (We won't be starting with the ring, so there will be plenty of time to pick out and order silver as needed.)
